3. Applicant: Lone Star Steel Company, Air Quality Permit NO. 3342.
4. IMPACT: I own 20 plus undivided acres on Jerusalem Road, in the Community of NEW Jerusalem, Morris County, located less than 6 miles from subject facilities. Lone Star Steel has previously admitted to dumping dangerous chemical on or near my real estate. My family members live on the north and south side of my property. Until I was informed by Lone Star Steel of its illegal dumping of dangerous chemicals on or near my real estate I sold the Timber. The public has a right to know of the dangerous chemicals. Some authorities in MORRIS County have been notified. My family use the property for farming and recreation. I AM: a son of GOD; a son of NATURE; a son of TEXAS; a son of the SOUTH; and, a son of the SOIL. I consider my real estate to be SACRED. I consider my families land, LEWISES, TURNER, JAMES, JONES and SLAY, to be SACRED. I worship NATURE. My land is LIFE AND REPRESENTS MY LIVING GOD. Lone Star Steel has sinned against NATURE AND AGAINST MY GOD by illegally dumping illegal chemical on land that is sacred to me and land that I worship.
5. I have previously protested to TCEQ concerning the illegal activities of Lone Star Steel. Please forward information and action taken concerning my previous protests. Please appoint an attorney, at no expense to me, to represent me.
6. Someone stole some timber from my acreage on JERUSALEM Road. The timber was cut too close to the Creek. Please place me on the mailing lists of any nearby facilities owned by Georgia Pacific Paper Company and International Paper Companies
7. Please forward a copy of the prior complaints and violations against Lone Star Steel and against any other facility located on its situs. I OBJECT TO THE INCORPORATION OF ALL PREVIOUSLY AUTHORIZATIONS OR CHANGES TO AUTHORIZED FACILITIES RELATED TO AIR PERMIT RENEWAL No. 3342. Reasons: See Paragraph 4 above,

Sincerely,

DONNIE O. TURNER
